

FODR Fall Paddle Information

Please be advised that we are meeting at Big Island. Directions are included in this mailing.

Vaccinations are required for the Fall Paddle: We ask that everyone be vaccinated. Wearing masks especially on land and when close to others on the water may help prevent the spread of infection even for those who are fully vaccinated!

Every paddler must be at least 18 years old.

Every Guest must sign a Release & Waiver of Liability. The waiver is included in the PDF at the top of the page. **Every person who paddles with us must complete a waiver and bring it with them on the day of the paddle.**

Route: We will meet and launch from FODR's **Big Island** and will return to Big Island after about 2.5 to 3 hours. We will paddle sometimes against the current, so this paddle will be more strenuous than our pre COVID paddle trips.

Start times and place: We will meet at **Big Island**. The meeting time for all the paddlers is **9:00 a.m.** We will be off the water by 12:30. Directions and a map are provided below.

No Radios: We will not use individual radios or headsets or earpieces.

No lunch break: We will not stop for an extended group lunch break, but we will take several short breaks for folks to hydrate, so bring water and snacks.

We provide a kayak for each paddler, a paddle, and a life vest. **DO NOT** bring your own boat. The kayaks are sturdy 9 or 10-foot flatwater kayaks that are ideally suited for navigating the Dragon's narrow, twisting channels. We will adjust your boat to ensure your comfort.

You may bring your own paddle and life vest. However, your life vest must be a standard Coast-Guard approved PFD, not inflated by a cartridge. **WE REQUIRE LIFE VESTS TO BE WORN AT ALL TIMES WHILE ON THE RIVER. VESTS MUST BE ZIPPED AND/OR BUCKLED AT ALL TIMES WHILE ON THE WATER.**

We will be on the water about 2.5 - 3 hours, depending on water levels and the overall ability of the paddlers. Barring any unforeseen circumstances, morning trips usually end around 12:30 pm. It is not wise to schedule other events on the day of the paddle because of the uncertainty of trip length.

Parts of the trip will require paddling upstream against a current. For this reason, they are a bit more strenuous. Spills can and do occur; so, be prepared to get wet. Dress for the weather on the day of your paddle. Bring rain gear and/or a jacket if rain is forecast. Layers of clothing might be appropriate if it is breezy or chilly. Other items to bring along include: paddling gloves, hat, sunscreen, sunglasses, and insect repellent.

There are port-a-johns where we launch and takeout. However, there are NO facilities of any kind along the paddle route. Bring enough food and water for the day. No drinking water is available along the route. We will take frequent water and snack breaks; but we will not stop for lunch. Pack your food and water in a small, soft-sided bag that will fit in the kayak – the storage area is only about 12 inches wide. Secure cameras, binoculars, phone, and other expensive items in waterproof bags that you can tether to the kayak or wear around your neck.

NOTE: We strongly recommend that persons with heart problems or other serious medical conditions consider very carefully whether they should make the trip. Remember, we will be in the wilderness. Medical help and transportation are a significant time and miles away. If you have a physical condition that would require treatment while you are on the water, be sure to bring necessary medications and equipment you normally use to treat the condition. If you are allergic to stings, be sure to bring whatever medication you use to counteract a reaction. **Please notify your Crew Leader if you have an existing medical condition that we should know about.**

Although insects are seldom a problem, it is wise to bring insect repellent. If you are allergic to stings, be sure to bring whatever medication you use to counteract a reaction.

What about bad weather? We will definitely cancel in case of thunderstorms or if the river is running too fast or the water level is too low or too high. We usually cannot make the decision to go or not to go until the morning of the paddle. Therefore, it is necessary to provide a telephone number where you can be reached the night before and early on the morning of your paddle. If we need to cancel, we will notify you at or before 6:00 a.m.. We will notify everyone with an individual reservation or the leader of a group reservation. If you are part of a group trip, be sure to give your group leader your contact information.

If you feel ill on the day of your paddle, stay home! And, if you have to cancel for any reason, **PLEASE LET US KNOW AS SOON AS POSSIBLE!!** That will enable us to fill your seat with someone else. We post all cancellations and other openings on our Facebook page.

We hope to sell FODR merchandise each day after the paddle. We have T-shirts , long-sleeve performance t-shirts, quarter-zip long-sleeve performance t-shirts, long-sleeve performance hoodies, caps, and bucket hats for sale, with all proceeds benefiting FODR. We take cash, checks, or credit cards.

This information sheet and the attached Friends of Dragon Run Release & Waiver of Liability Form should be given to everyone in your party. The waiver release form should be filled out (only one person for each form) by each participant; don't forget to initial the middle paragraphs. Bring it to the launch site on the day of your paddle.

The above information is intended to help you have a safe and happy trip and to enjoy the special wonders of Dragon Run. We look forward to escorting you on this exciting adventure.

Any time you have questions, you may email FODRPaddles@gmail.com.
